

# Download Off The Boards The Evolution Of Architectural Practice

Gliding past 150 North Riverside on the Chicago Architecture Foundation's River Cruise aboard Chicago's First Lady, the building almost seems to reach out and embrace you. While much attention has been focused on high-level software architectural patterns, what is, in effect, the de-facto standard software architecture is seldom discussed. This paper examines the most frequently deployed architecture: the BIG BALL OF MUD. VoiceThread Universal lets you browse threads and hear comments in pages specially designed for screen readers.
