10 Parenting Tips for Raising Teenagers. ... That's part of responsible parenting. If it feels necessary, require them to call you during the evening, to check in. But that depends on the teen ...Adolescence can be a confusing time of change for teens and parents alike. But while these years can be difficult, there's plenty you can do to nurture your teen and encourage responsible behavior. Use these parenting skills to deal with the challenges of raising a teen. In order to be responsible, teens need to learn how to respond to challenges. This means taking the time to stop, think and then act, and being responsive in a difficult situation rather than reactive, said Tischart. "A lot of teens think chaos and dysfunction are normal, and respond emotionally to challenging situations," she explained. Sometimes teenagers seem to turn into different people overnight, and parents just don't know how to handle their changing child – much less how to enjoy the teenage years. Find out the 6 key ingredients to raising responsible teens. At the heart of raising responsible teens lies the importance of linking independence and responsibility.
